

## **Resource List**

from the Israel and Palestine Working Group  
May 2018

### **Introduction:**

The Israel and Palestine Working Group offers this resource list for the use of bishops and deputies to help us prepare for General Convention in Austin in 2018.

We know it's not an exhaustive list. To be very clear, we do not support every view expressed on these websites, in these blogs, in these books, or in these films. In fact, we, on this task force, hold our own diverse views. What we are trying to do here is to offer a range of materials, in different formats, that express the diverse opinions and narratives of the conflict in Israel and Palestine, in order to support a thoughtful and transparent discussion of these issues and our responsibilities to them as The Episcopal Church.

Bishops and deputies, we don't expect you to read everything listed here. As a top priority, and at a minimum, please read the archives report, posted at the very top of the list, of past Episcopal Church statements and actions on Israel and Palestine. This is important context for what we are considering at this General Convention. We also strongly urge you to watch the webinar that was hosted by our Office of Government Relations in January, 2018, reporting on current Episcopal Church work in this region.

We encourage you, especially those who will be serving on committees looking closely at these issues, to pick a few ways to read or listen to a variety of narratives and viewpoints, especially those that may be different from the views you already hold. Please read at least some materials from Christian, Jewish, and Muslim writers and groups; from Israel, from Palestine, and from the USA; and from those who hold diverse opinions on the conflict from within those communities.

Finally, we offer this prayer from the Episcopal Diocese of Jerusalem:

Almighty God and Father,  
we pray today and all days for the peace of Jerusalem  
and for the prosperity in body, mind and spirit  
of those who love you in The Land of The Holy One  
and across the world.

We seek your guiding hand for those who, as Living Stones, today  
tend the Holy Places and sustain caring agencies of healthcare and education  
in all Christian traditions.

We rejoice that, through this ministry of service and response, the commandment  
to love your neighbour as yourself is lived out day by day.

We pray for a just resolution of the current problems  
experienced by all your children in the city of Jerusalem.  
This prayer we offer in the name of Jesus Christ the Healer  
and the Holy Spirit the Comforter.

**Amen.**

## **Films / Videos:**

### **5 Broken Cameras**

#### **Film Details:**

Documentary, 1 hour, 34 minutes

#### **Film Description:**

This Academy Award-nominated film is a deeply personal account of non-violent resistance in Bil'in, a West Bank village threatened by encroaching Israeli settlements. Shot almost entirely by Palestinian farmer Emad Burnat, who bought his first camera in 2005 to record the birth of his youngest son, the footage was later given to Israeli co-director Guy Davidi to edit. The film is an extraordinary work of both cinematic and political activism.

### **The Gatekeepers**

#### **Film Details:**

Documentary, 1 hour 42 minutes

#### **Film Description:**

For the first time ever, six former heads of the Shin Bet, Israel's internal secret service agency, agreed to share their insights and reflect publicly on their actions and decisions. Intimately interviewed, they shed light on the controversy surrounding the Israeli occupation of Jerusalem, the West Bank, and Gaza in the aftermath of the 1967 Six Day War. The film, by director Dror Moreh, combines these in-depth interviews with archival footage and computer animation. It was nominated for Best Documentary Feature at the 85th Academy Awards.
