

Questions for reflection and discussion

Task Force on the Study of Marriage

1. Now that you have heard how we are addressing Resolution A050, what considerations or questions would you suggest for our 3 working groups (below) and/or the task force in general?

A. Historical, Theological, and Canonical Roots

B. Biblical and Theological Dimensions

C. Conversations and Consultations; Changing Norms

D. Other general considerations or questions

2. As you prepare for General Convention 2015, what hopes, concerns or expectations will you bring about how we, as a church, might carry forward the work of this task force?

3. What are you experiencing in your life, or among your friends, family, congregation, diocese, or society in terms of how norms for marriage are being challenged today?

Diocese _____

Order of ministry _____
