Episcopal
CHURCH

February 24, 2016

Dear brothers and sisters,

I am writing to bring you up to date on the investigation of the three members of the staff of the Presiding Bishop who I have placed on administrative leave. I have written a similar update to the staff which will be sent to them and then made public today.

I anticipate the investigators will complete their interviews in the next 3-4 weeks. Following that, they will share their findings and conclusions with me. I will then consult with the officers of the DFMS and legal counsel regarding appropriate steps forward.

Once the course of action is clear and it has been properly shared with those on administrative leave, I will share with you with as much transparency as is appropriate, protecting confidentiality, and the ways we will move forward from that point.

In my letter to the staff I say, "I am deeply committed to our all working together on healing, building trust, and nurturing a culture reflective of the life and teachings of Jesus of Nazareth as we move forward to help the church to serve the world in his Name."

Please continue to pray to God for our brothers and their families, our staff and for us all.

God bless you,
